

Advertise With RevereBeach.com!

A Growing Audience:

In 2011, RevereBeach.com attracted more than 1,000,000 page views and 7 million total hits. The site brings thousands of unique visitors each month, and visitors of the site are local; more than 88% of our visitors are from Massachusetts, and two thirds are from Suffolk County.

Our website is full of fresh content, and the average subscriber will return at least two times each month for news and updates.

We have an active guestbook with tens of thousands of entries, and we have hundreds of followers on Facebook and Twitter.

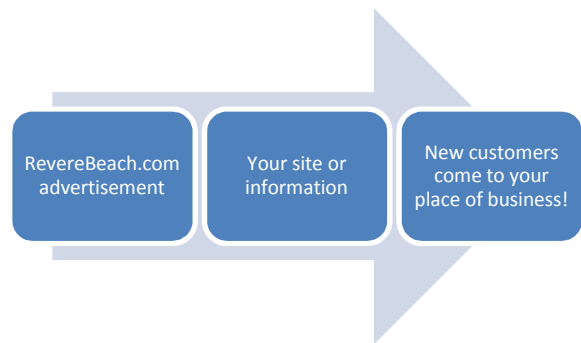

Make use of our expansive user base and buy advertising that is inexpensive yet incredibly effective!

Advertising on RevereBeach.com gives you exposure 24/7! Our website is always accessible, and it attracts hundreds of unique visitors every single day.

You will reach your demographic; our site attracts visitors from your neighborhood!

A Great Deal!

The exposure your business will receive at the low costs we offer is unbeatable! Compare the ROI of this offer against traditional print media, billboards, radio, or even television advertising, and you will find that this is the absolute best value!

Now is the best time to buy, the summer season is starting and our traffic is growing by hundreds of users each month.

RevereBeach.com is the featured site and sponsor of the Revere Beach National Sandsculpting Festival, thousands of users will use RevereBeach.com to find information about the event, and your business could be the first thing they see!

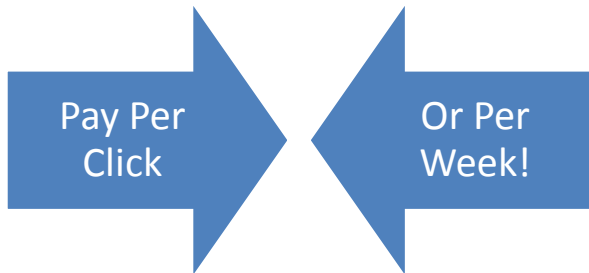

The fact is, online advertising can be tricky. It can be hard to reach the people that are interested in your business and would likely become your new clients and customers.

RevereBeach.com eliminates this issue, our visitors are the people that use and love Revere Beach, and that frequent the beach, the City of Revere, and the surrounding communities of Winthrop, East Boston, Chelsea, Saugus, Lynn, Everett, Malden, and Melrose.

Since advertising with RevereBeach.com, traffic to my site has increased by nearly 40%. Attracting new clients is the most difficult part of my business, but advertising with RevereBeach.com is getting the job done.
